## HOUSING QUALITY STANDARDS (HQS) REPAIR SELF-CERTIFICATION

Both the landlord and family must use this form to certify in writing that the repairs have been completed to the unit prior to the deadline specified on the HQS deficiency notice.

<b>Participant's Name:</b> _____	<b>Deadline Date:</b> _____
<b>Unit Address:</b> _____	<b>Inspection Date:</b> _____
<b>Owner/Landlord's Name:</b> _____	<b>Phone:</b> _____
<b>Owner/Landlord's Address:</b> _____	

The above unit failed its HQS inspection and is not in compliance with HUD Housing Choice Voucher (HCV) program requirements. After the repairs have been completed in a manner approved by the Housing Authority of the County of Kern (HACK) the Owner/Landlord and the Participant Family must complete and sign this Repair Self-Certification form and return to the Housing Authority of the County of Kern no later than the deadline date above. The form may be mailed, or hand-delivered to the Housing Authority of the County of Kern's central office, or faxed to (661) 631-1265 ATTN: INSPECTIONS DEPT. If the Repair Certification form is not returned by the deadline date, the unit will be considered failed and the Housing Assistance Payments (HAP) will be abated (withheld) 30 days after the date of the initial inspection.

Please check the option that applies to your inspection:

<input type="checkbox"/>	The Owner-Landlord does hereby certify that the deficiencies identified in the inspection completed on the above date have been repaired and that the unit meets minimum housing quality standards as defined in the HAP contract and HUD regulations.
<input type="checkbox"/>	The Head of Household under the Housing Choice Voucher program does hereby certify that the deficiencies identified in the inspection completed on the above date have been repaired and that the unit meets minimum housing quality standards as defined in the HAP contract and HUD regulations
<input type="checkbox"/>	<b>BOTH</b> the Owner-Landlord and Tenant do hereby certify that the deficiencies identified in the inspection completed on the above date have been repaired and that the unit meets minimum housing quality standards as defined in the HAP contract and HUD regulations.

The signatures below certify that the required repair(s) for both the Owner/landlord and Family as listed on the HQS repair notice referenced above have been completed and the unit is now in compliance with HUD HQS requirements. It is further understood that, if at any time after the execution of this certification it is determined that repairs were not completed in a satisfactory manner, all Housing Assistance Payments made since the due date for repairs will be abated and payments already made to the landlord will be recovered by the Housing Authority of the County of Kern.

Owner/Landlords must have a documented history of HQS compliance through the Housing Authority of the County of Kern to qualify for use of this Repair Self-Certification. Housing Authority of the County of Kern may verify the completeness of all repairs by a Quality Control Inspection within 90 days of the initial date of inspection.

Our signatures below certify that we have read, understood, and agree to the terms of this self-certification, that all repairs have been made for the inspection listed on the top of this form and that the unit listed above does comply with the HQS requirements as defined by HUD and Housing Authority of the County of Kern.

We understand that making false statements, committing fraud, misrepresentation or providing false information of any kind may be grounds for termination of participation for both the tenant and landlord.
